Dear Scott,

Thanks to the generous support of TWSCO, Inc., Young Life in the Northwest Houston Area is not only planning for the spring semester, but also looking for new opportunities in ministry. On behalf of Young Life, our committee, our leaders, and the students involved, I would like to thank you for coming alongside us in this mission.

As Young Life leaders, we journey to the high school to fulfill the great commission, knowing that many teenagers are lonely, hurting, and confused. We do this in hopes that we might step into their lives, give them a meaningful confrontation with the God of the universe, and share with them the life changing message of Jesus Christ.

Your partnership in this ministry is a blessing for us and for the all of the high school kids whose lives have been changed. Your investment is not only making a difference right now, it is making a difference for eternity. Your gift is helping to lay the foundation that will allow Young Life to reach out to the high school kids of Northwest Houston for years to come.

God Bless,

John Dingman
